UZBEKISTAN

A TAPESTRY OF TIMELESS BEAUTY
AND CULTURAL SPLENDOR.

UZBEKISTAN

Uzbekistan, officially the Republic of Uzbekistan, is a doubly landlocked country located in Central Asia. It is surrounded by five countries: Kazakhstan to the north, Kyrgyzstan to the northeast, Tajikistan to the southeast, Afghanistan to the south, and Turkmenistan to the southwest, making it one of only two doubly landlocked countries on Earth,

TASHKENT CAPITAL OF UZBEKISTAN

Uzbekistan is safe, with an extremely low rate of violent crime. Law enforcement officers patrol the streets regularly and stand prepared to help and support tourists as needed. Also in Samarkand, Bukhara and Khiva you will find English speaking Tourist Police ready to assist guests of this sunny land. Travelers often remark on the kindness and helpfulness of Uzbekistan's people, who

will go out of their way to assist a guest in need. The nation has become increasingly tourist-friendly in recent years and takes a genuinely welcoming stance towards foreigners and tourists.

CLIMATE

Climate: Uzbekistan has extreme climatic conditions, in the summer it heats up to 40 degrees Celsius to -2 degrees Celsius in the winter. Uzbekistan receives rain in the winter and spring seasons. You might have to prepare yourself for a strange yet beautiful climate!

ABOUT

BHKHARA CITY

Bukhara State Medical Institute is located in the beautiful city of Bukhara in Uzbekistan, a historical city with a great story to tell, Bukhara is one of the largest and beautiful city in Uzbekistan. it started its way up to becoming an industrial city. India is a culturally rich and diverse nation. Indian students would blend in fine in Bukhara. Not only that you get to do your MBBS course abroad but also you would get a chance to explore a traditional city in Uzbekistan. If you are an MBBS aspirant looking forward to study MBBS in Uzbekistan, Bukhara State Medical Institute will be a good choice for you!

Bukhara is an ancient city in the central Asian country of Uzbekistan. It was a prominent stop on the Silk Road trade route between the East and the West, and a major medieval center for Islamic theology and culture. It still contains hundreds of well-preserved mosques, madrassas, bazaars and caravanserais, dating largely from the 9th to the 17th centuries.

Sacred Bukhara is one of the tourist gems of Uzbekistan. The historic city centre is included in the UNESCO World Heritage List. The age of the city exceeds 2500 years.

- **Popular landmarks**
- Great minarets, mosques and madrassas;
- Ancient citadels, mausoleums and tombs;
- Centre of the Islamic East and many objects for pilgrimage;
- Ancient centres of trade and crafts.

INDO-UZBEK EDUCATION RELATIONS

Scholarships and Student Exchange Programs:

Both India and Uzbekistan have initiated scholarship programs and student exchange agreements to facilitate educational opportunities for students from each country. Scholarships may cover various academic levels, including undergraduate, postgraduate, and doctoral studies.

Academic Partnerships and collaborations:

Universities and educational institutions in India and Uzbekistan have explored partnerships and collaborations to promote academic and research exchanges. Joint research projects and collaborative programs in diverse fields have been encouraged.

Language and Cultural Programs:

Efforts have been made to promote the learning of each other's languages and cultures. Language programs and cultural events have been organized to foster a better understanding between students of both nations.

Educational Conferences and Seminars:

Academic conferences, seminars, and workshops have been organized to bring together scholars, researchers, and educators from both countries. These events provide a platform for the exchange of ideas and the exploration of collaborative opportunities.

Technical and Vocational Training:

Cooperation in technical and vocational education and training has been a focus, with the aim of enhancing the skills and capabilities of students in areas relevant to economic development.

Joint Degree Programs:

The exploration of joint degree programs has been on the agenda. Collaborative efforts to offer joint degrees can provide students with diverse educational experiences.

Research Collaboration:

Joint research initiatives and collaborative projects between universities and research institutions in India and Uzbekistan have been encouraged. Such collaborations aim to leverage the strengths of both nations in various fields of research.

Educational Delegations and Visits:

Educational delegations from both countries have visited each other to explore opportunities for collaboration, exchange information, and strengthen institutional ties.

Shukhrat Teshaev
Rector
Bukhara State Medical Institute

MESSAGE FROM THE RECTOR

It is with great pleasure and enthusiasm that I extend my warmest greetings to the entire Bukhara State Medical Institute community. As the Rector, I am honored to address you and share my vision for our esteemed institution.

Bukhara State Medical Institute has long stood as a beacon of excellence in medical education, research, and healthcare contributions. Established with a commitment to nurturing the next generation of healthcare professionals, our institute has continuously evolved to meet the dynamic demands of the medical field.

We know that you are going to medical school to train to be a doctor and therefore we want to introduce you to patients and practical problems as early as possible.

Thank you for considering the medical University of Bukhara. We hope this brochure will answer some of your queries about studying medicine at BSMI. If you have any other questions, please do not hesitate to contact us.

We hope to welcome you on to campus soon, and wish you luck with the rest of your studies
