Rector

***Alisher Shadmanov,
Rector of TMA***

Dear students, colleagues and all who work and study in the academy!

We are the leading medical school in the Republic of Uzbekistan. In recent years, we opened new avenues of education providing undergraduate and master's degrees, improving the material and technical base. We have international cooperation with leading universities in Europe and Asia.

We know that you have taken an important decision in your life to become a doctor.

We wish all the students in our academy to have a wonderful, joyful education in the field of medicine. All the best!
